## Event Overview

Cycling BC and ChainLine Cycle are proud to present the School of Hard Knox 2019 BC Cyclocross Provincial Championships being held on November 10, 2019 at Knox Mountain Park in Kelowna, BC.

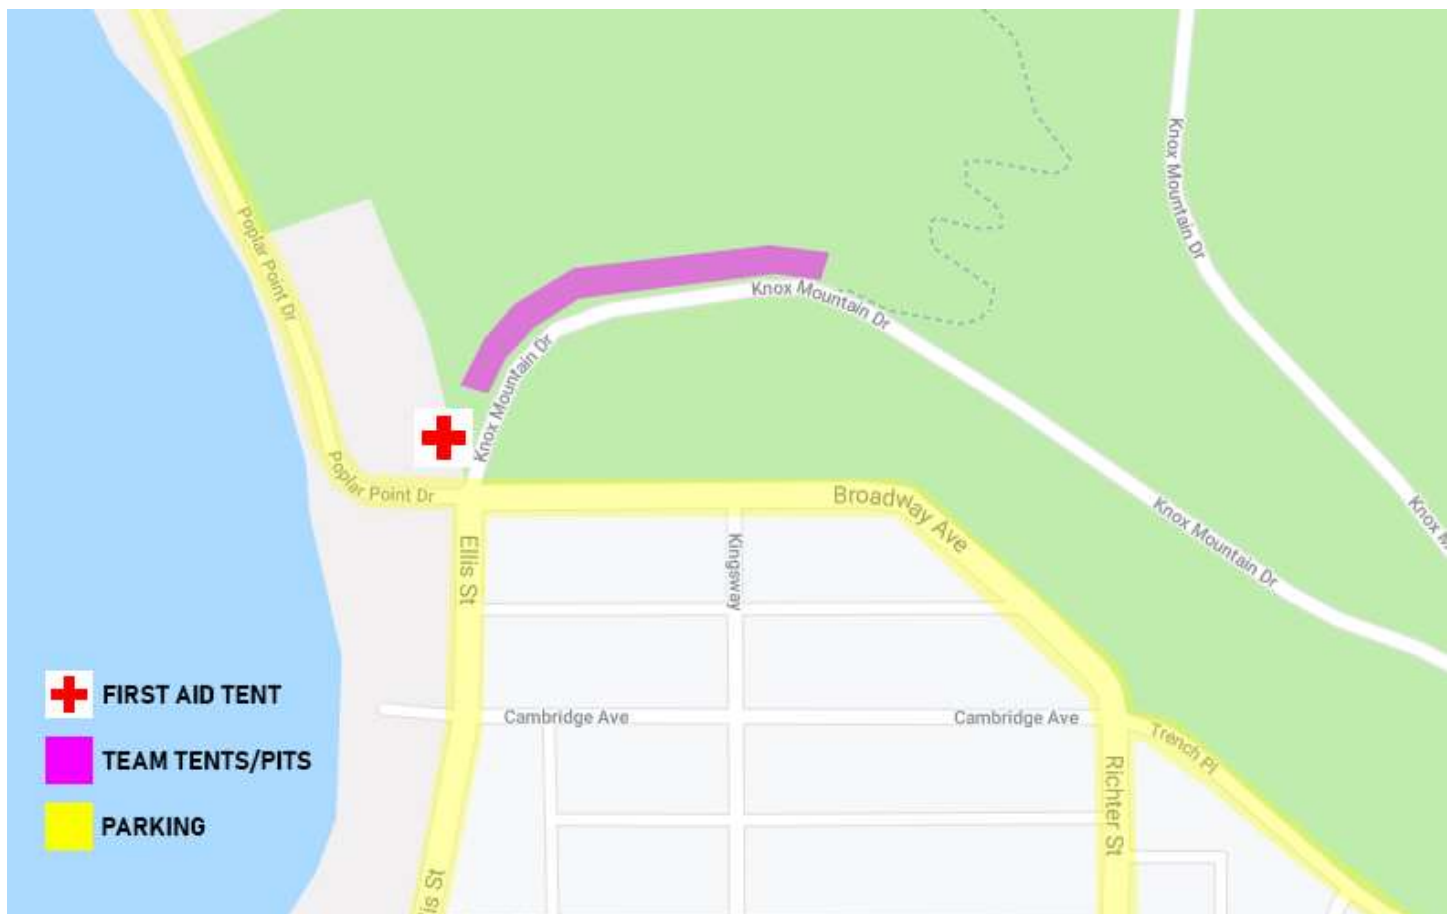

## Venue

Knox Mountain Park is Kelowna's largest natural area park, with over 300 hectares supporting runners, hikers, cyclists and more, located immediately north of Kelowna's downtown at Knox Mountain Dr.

School of Hard Knox is classically a part of the BC Interior Cyclocross (BCICX) series and has been hosted at Knox Mountain Park for the past 8 years. The Provincial Championship races will not formally be a part of the BCICX series but is taking place a week following the BCICX series finale in Penticton, BC.

The course is traditionally twisty, running through a semi-wooded area of the park. It will include sections of gravel, grass, forest floor, hardpack dirt and sand. Weather conditions in November are traditionally snow-free in the Okanagan but anything can happen; the race will be held come rain, snow or shine except in the event of unsafe weather (lightning, overwhelmingly strong winds), for which race officials may delay or cancel racing.

## Map

## Parking

Street parking is available on Ellis St., Broadway Ave., Richter St. and Poplar Point Dr. as noted on the course map. Please note this is a residential area so be mindful of residents' driveways, property, etc.

## Bathrooms

Porta-potties will be available but unfortunately Knox Mountain Park has no running water.

## Team Tents and Pits

Limited space for team tents will be provided along Knox Mountain Dr. as noted on the course map. There is to be no parking of vehicles in this area; please unload and then move your vehicle to street parking outside the park gate. Tents must be no larger than 10'x10' and all 4 legs must be weighted down.

This area will also function as the pit space. Space will be reserved for non-team affiliated racers' spare wheels, bikes, etc.

As noted above, Knox Mountain Park has no running water so no bike wash facilities will be provided. Racers are welcome to bring a portable solution but should note that there is no power on-site either.

## First Aid and Medical

Medical staff will be on-site during the event. The medical tent will be close to the team tent area/front gate, as noted on the course map.

Kelowna General Hospital offers 24-hour emergency and trauma services and is located at 2268 Pandosy St.

## Food

There will be food vendors on-site. Exact offerings to be determined and will be published via social media. Please anticipate them being cash-only.

## Participation, Sanctioning, Prohibited Substances and Licensing

By registering for this event, racers agree to follow and be bound by the rules and procedures outlined in this Technical Guide and of the International Cycling Union (UCI), Cycling Canada and Cycling BC.

The School of Hard Knox 2019 BC Cyclocross Provincial Championships are sanctioned by Cycling BC, Cycling Canada and the UCI.

Entry fees are non-refundable.

Athletes participating at the 2019 BC Championships requiring the use of a medication included on the Prohibited List (available at [www.cces.ca/prohibited-list](http://www.cces.ca/prohibited-list)) must have a Therapeutic Use Exemption (TUE) prior to participating in the event. This applies to all categories of athlete. For more information and to apply for a TUE, visit [www.cces.ca/therapeutic-use-exemptions](http://www.cces.ca/therapeutic-use-exemptions).

All Championship category racers must have a valid Cycling BC Provincial Race License, a Cycling BC UCI License or a UCI License from another jurisdiction and must present their license upon package pickup and on demand at the event. Domestic licenses are not permitted for Championship categories and no day-of licensing for the Championship categories will be available.

Open category racers must have at least a valid Cycling BC Provincial Ride License. Day-of licensing will be available for purchase at sign-on. **Day-of licensing is cash only.**

The categories are defined as per UCI rules based on year of birth. Cyclocross racing age for the Championship is the rider's age as of December 31, 2020.

All competitors must enter their event class as shown on their license unless they can present a letter from Cycling BC granting an upgrade; e.g. elites cannot race as masters, nor vice versa without a letter of permission from Cycling BC.

Any inquiries about upgrades to the Elite category should be directed to Cory Ostertag at [membership@cyclingsbc.net](mailto:membership@cyclingsbc.net). All upgrades must be submitted no later than 14 days prior to the race.

## Eligibility

To be eligible to win a BC Championship a rider must be a resident of BC and possess a valid Cycling BC Provincial Race License or a Cycling BC UCI License.

Should a non-eligible rider place among the top three finishers in a Championship race category, a podium presentation will take place based on the order of finish of the race and a second presentation based on the Provincial Championship results of eligible riders.
